

std::ostream

```
graph BT; zstd_ostream --> std_ostream
```

The diagram illustrates an inheritance relationship between two C++ classes. At the bottom is a gray rectangular box labeled 'zstd\_ostream'. A blue arrow points vertically upwards from the top center of this box to the bottom center of a white rectangular box with a gray border at the top, labeled 'std::ostream'. This indicates that 'zstd\_ostream' inherits from 'std::ostream'.

zstd\_ostream
